PLANNED GIFTS

When you make a planned gift – of any size – you sustain and strengthen the Steamboat Tennis & Pickleball experience for the next generation.

You can choose how you would like your gift to be used – for tennis, for pickleball, for the facility maintenance endowment, or to support a program close to your heart. You may also make an unrestricted gift, which enables Court Sports 4 Life to use the future gift to support the greatest needs at the time it is received.

OUR MISSION

To enrich the lives of Steamboat Springs, Colorado, area residents and visitors of all ages, abilities, and socio-economic groups through pickleball and tennis. We do this by providing premier tennis and pickleball facilities; robust recreational, training and wellness programs; and innovative engagement of under-resourced families, adaptive athletes, seniors, and other social cohorts.

HOW TO BEGIN?

Planned giving options to meet your personal financial and charitable giving goals fall into three categories:

- Deferred gifts of cash or other assets (such as bequests, life insurance and retirement plans).
- Gifts that pay an income (such as charitable remainder trusts).
- Gifts that protect your assets (such as charitable lead trusts).

Please consult your financial or legal advisor to create a plan that's right for you.
