

# STEAMBOAT RELISHES PICKLEBALL!

## The 5 W's of Phase 2

**WHO** Pickleball is growing exponentially within Steamboat and bringing in more and more visitors, too. Adding dedicated indoor courts will improve the entire experience for both pickleball and tennis players.

**WHERE** Phase 1 of the Steamboat Tennis & Pickleball Center's expansion project will have dramatically re-imagined the Center's outdoor facilities by creating 12 new pickleball courts, rebuilding 6 tennis courts, and moving and resizing 8 pickleball courts.

**WHAT** Phase 2 achieves our ultimate goal of creating a dedicated *indoor* Pickleball Center!

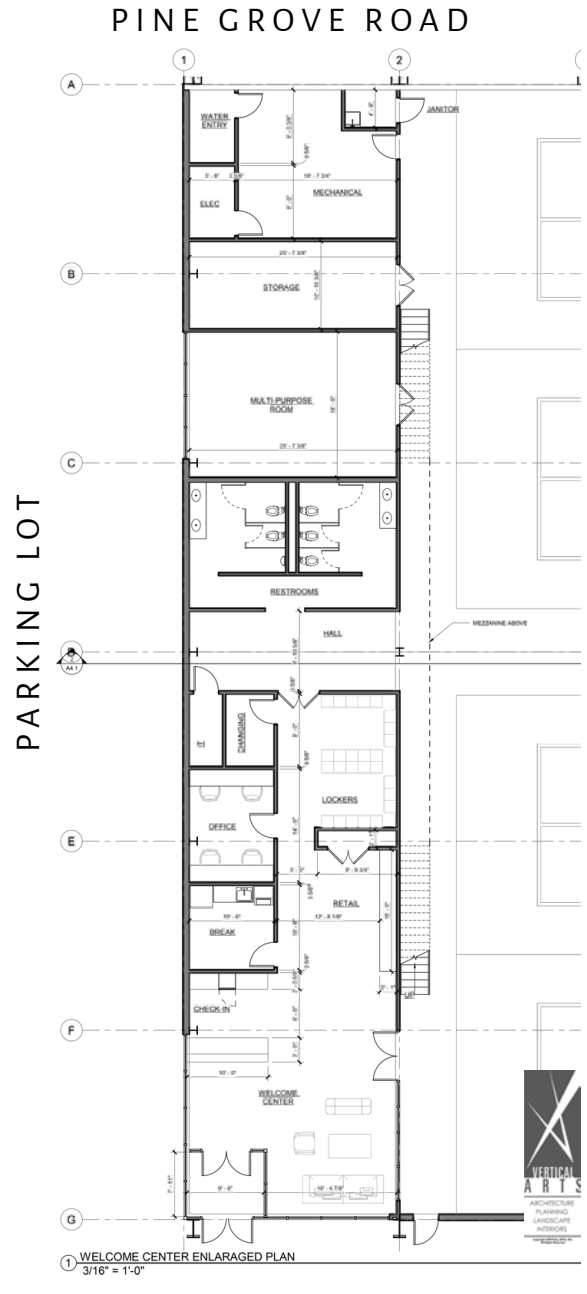

**Cost:** \$5.1 million

- Erect an energy-efficient steel building over 12 of the new pickleball courts built in Phase 1
- Fit out the Welcome Center with pro shop, locker rooms, and shared community and social spaces
- Add a multi-purpose mezzanine (like the one in the Tennis Center) for viewing and events
- Finish coat the expanded parking lot

**WHEN** If we obtain Phase 2 pledges totaling \$3.6M by the end of 2022 and supplement with a \$1.5M loan, we could start Phase 2 in 2023 and be playing indoors by that Fall.

**WHY** Our tag line says it all – "Family, Friends, Fitness & Fun!"

## WELCOME CENTER LAYOUT (preliminary)

Let's get positioned to start Phase 2 in 2023 - please pledge today at [courtsports4life.org/donate/](https://courtsports4life.org/donate/)! Donations are eligible for Enterprise Zone tax credit for Colorado taxpayers.
